

EIBENSTOCK
Elektrowerkzeuge

PROFESSIONAL
GERMAN SINCE 1919
POWER TOOLS

Unique in this
device class:

Robust, powerful
2300 W motor –
very high perfor-
mance

Four speed set-
tings by 2-speed
gearbox AND two
electronic speed
levels

Large mixing volume up to 150 kg
for high surface performance

MOBILE MIXING STATION

FloorMix 2300
The economical alternative

NEW The mobile station up to 150 kg for effective working especially in wet-on-wet cycle

Optimal mixing results:

Four speed settings, soft start and constant speed – start mixing function with reduced speed and optimal adjustment of the speed to the mixing material

Special stirring rod avoids clumping and material deposits on the base and sides

Health protecting mixing:

Connection for dust exhaust \varnothing 35 mm – dust reduced filling and mixing of the materials

Easy to clean:

Drive unit with stirring rod can be separated from the carriage without any tools

USE:

Homogenous and lump free mixing of floating screed, leveling fillers, fiber-reinforced fillers, colored coatings, liquid plastics

Optimally suited for low-viscosity flooring compounds

Floor renovators, tilers

Specifications	FloorMix 2300
Power input	2300 W
Rated voltage	230 V ~
Rated speed	70/130/160/280 rpm
Bucket size	110 l
Spindle connection	M 16
Weight	48.0 kg
Order no.	07625000
Supplied	on a pallet incl. special stirring rod and bucket 110 l
