## **Multipurpose Drilling**

# **KBM 50P**

### **Magnetic Core Drilling Machine**

### Use:

- → Electrical installation, sanitary and heating installations
- → Civil engineering, industrialised bulding construction

#### **Features:**

- → Line lock out
- → safety Belt
- → Powerful motor
- → Superb service life
- → Powerful electromagent
- → Epoxy sealed waterproof base
- → Internal spindle cooling system
- → Safety fuse protection for magnet
- → 100% high tensile alien headed screws
- Unmistaken arrangement of swithc for magnet & drill to ensure safety of operator
- Core Bits Optional accessory as per your requirement.
